 Microsoft Business Applications

Steer your Digital Transformation journey with a full-stack Microsoft Business Applications Partner

"I strongly recommend Alletec team as an engagement partner and advisor for D365 platform rollout and support."

*Kingshuk Dutta VP, IT Services
 HomeTrust Corporation, Canada*

"We are pleased with the support we have received from Alletec with both Business Central and D365 for Sales. We are happy to recommend them."

Gregory P. Alford, Director of Technical Resources, TriStar Metals, USA

Alletec is on a mission to elevate your business growth chart by providing a simple yet sophisticated 360-degree Microsoft business solution.

From Microsoft Dynamics 365 suite to Power Platform, O365 to Azure, or placing integrated operational systems of ERP, Customer Engagement, Collaboration Portals, and Mobile Apps, all our services are designed to help you win that tough game you always strived for.

Our cutting-edge Digital Transformation process involves getting into the depth of your business processes, understanding the unique needs of businesses, suggesting Industry best practices and offering a Microsoft solution that empowers companies to become data-driven, more agile, connected, and efficient.
